Transfer Pricing Card

Effective 1 January 2023

Comparison of the main transfer pricing regulations in the Baltics

SORAINEN

SORAINEN

| | Estonia | Latvia | Lithuania | | |
|---|--|---|--|--|--|
| General rules | OECD + EU guidelines, with Estonian tax law requirements | OECD guidelines + Latvian tax law | OECD guidelines + Lithuanian tax law | | |
| Related party | Entities with common economic interests or dominant influence | Entities connected through control, shareholding or family ties; any person in a low-tax territory or where the aim is tax reduction | Entities that have influence on each other, e.g. through control, shareholdings, family ties, same managing body members | | |
| | Exact criteria of relationships and thresholds can be found in legal acts | | | | |
| Documentation requirement threshold | Annual sales exceed EUR 50 million; total assets exceed EUR 43 million; at least 250 employees | Local file from transaction amount of EUR 250,000; master file from EUR 5 million | Local file must be prepared if previous tax year's income exceeds EUR 3 million | | |
| | Mandatory regardless of threshold for resident credit institutions, insurance companies, and publicly | Even if threshold is not met, a company being tax audited must be able to prove transactions as arm's length | Master file if previous tax year's income exceeds EUR 15 million and the company is part of an international group | | |
| | traded companies; also if transaction partner is from a tax non-compliant jurisdiction | Documentation is not required for transactions below EUR 20,000 | Form FR0528 must be filed if transactions with related parties exceed EUR 90,000 in a tax year | | |
| | | See below for a more detailed table regarding transaction parties | | | |
| | Must be submitted within 60 days of request | Must be prepared within 12 months of the tax year's end in case of foreign related party, submission mandatory or within 1 month of request depending on size | Must be prepared for until 15 June of the following tax year; must be submitted within 30 days of request | | |
| | | Within 90 days of request in case of Latvian related party | | | |
| Mandatory documentation contents | Master file and local file, these can be presented as one file in practice Financial transactions have additional requirements | Company analysis, functional analysis, transaction analysis (description, method selection, benchmark) | Industry analysis, company analysis, functional analysis, transaction analysis (description, method selection, benchmark) Additional analysis of the group must be included in both master and local files | | |
| | Can be in English but tax authority can request translation | Master file may be in English, otherwise in Latvian | Can be in other languages but tax authority can request translation into Lithuanian | | |
| Methods | CUP; resale price; cost-plus; TNMM; profit split | CUP; resale price; cost-plus; TNMM; profit split | CUP; resale price; cost-plus; TNMM; profit split | | |
| | Any other sufficiently substantiated method | Economic valuation techniques together with at least one basic TP method | First three methods are preferred, possible to use methods in combination | | |
| | A 5% mark-up can be applied to the cost of low value-adding services | A 5% mark-up can be applied to the cost of low value-adding services | A 5% mark-up can be applied to the cost of low value-adding services | | |

| | Estonia | Latvia | Lithuania | | |
|--|---|---|---|--|--|
| Tax audits and penalties | Failure to file can result in fine of up to EUR 3,200 Unpaid taxes due to incorrect or wrongly presented data may lead to misdemeanour (unpaid taxes up to EUR 40,000) or criminal proceedings (unpaid taxes over EUR 40,000) | Significant violation of document preparation rules, e.g. incomplete documentation, may result in penalty of up to 1% of transaction value, up to EUR 100,000 | Fine of 10-50% of the underpaid tax; 20-100% starting from 1 May 2023 Failure to file TP documentation may result in a warning, or a fine of EUR 1,820 to 6,000 on the head of the company | | |
| | Tax adjustments bring about penalty interest at daily rate 0.06%/yearly rate 21.9% (also subject to CIT) | Late payment interest of 0,05%/day (max 2/5 of tax amount due), penalties 30% of tax amount due TP adjustments may lead to VAT adjustments without right to adjust corresponding input VAT | Late payment interest of 0.03%/day | | |
| | Audits can go back 3 years from the tax becoming payable, 5 years in case of intentional non-payment | Audits can go back 5 years | Audits can go back 5 years plus the currently ongoing tax period | | |
| Enforcement | Transactions not at arm's length will be adjusted with corresponding tax obligation and delay interest imposed Misdemeanour or criminal proceedings may be initiated | Transactions not at arm's length will be adjusted, taxed, and late payment interest and penalties imposed | Transactions not at arm's length will be adjusted with fines and late payment interest imposed The company may be publicly listed as an unreliable taxpayer. Among other possible effects, an unreliable taxpayer can't participate in public procurement, longer statutory terms apply and bank financing is harder to get | | |
| | Not enough practice to generalise | Tax authority may challenge contents and applicability of analysis used in TP documentation | Tax authority mainly targets companies with significant cross-border related party transactions | | |
| APA | Not available | Possible to enter into with tax authority for transactions exceeding EUR 1.43 million annually May be issued for 5 previous years or 5 future tax years Covers transactions with other related party who is resident in Latvia and not resident in Latvia | Possible for complex future transactions Binding for the tax authority for 5 calendar years from adoption year | | |
| | N/A | Fee of EUR 7,114 | Free | | |
| TP – transfer pricing TNMM – transactional net margin method VAT – value added tax | | | | | |

CUP - comparable uncontrolled price method

CIT – corporate income tax

LATVIAN TP DOCUMENTATION REQUIREMENTS

Taxpayers must prepare a master file and/or local file in line with content set by OECD Guidelines in the following situations:

| Transaction party | When is a Master File required? | When is a Local File required? | Submission deadlines to tax authorities |
|--|---|---|--|
| Foreign related | If the transaction amount is > EUR 15m; or if turnover is > EUR 50m and the transaction amount is > EUR 5m. | If the transaction amount is > EUR 5m | Mandatory submission within 12 months of the end of the tax year. |
| party or company registered in a blacklisted jurisdiction | If turnover is < EUR 50m and the related party transaction amount is from EUR 5m to EUR 15m. | If the transaction amount is from EUR 250k to EUR 5m. | Prepared within 12 months of the end of the tax year and submitted to the tax authorities within 1 month of a request. |
| Latvian related party (only if transactions take place within one supply chain with a foreign related party) | N/A | If the transaction amount is > EUR 250k | Should be prepared only if required by tax authorities. Submission within 90 days of the receipt of a request (may be extended by 30 days). |
